Caravanning-Friendly Heart of Slovenia

Heart of Slovenia is an area in the heart of the country, with its centre at GEOS, the Geometric Centre of Slovenia, in the vicinity of the confluence of the Sava, the Kamniška Bistrica and the Ljubljanica rivers. The area is often called a heart shape and connects people.

Do you travel by motorhome?

Do you like to step on the road, admire the beauty of nature, heritage, enjoy the local cuisine and meet new people? Visit the Heart of Slovenia, the first caravanning destination in Slovenia, connecting the area east of Ljubljana, Le. from the Kamnik Alps to the Ilirska Bistrica region.

On your next visit, spend the night at the thermal spa Dolenjske Toplice at the foot of the Kamnik Alps, with a view of where the confluence of the Sava, the Kamniška Bistrica and the Ljubljanica rivers is. In the nearby Vače, where one can see temporary exhibitions, are nicely renovated and scientifically arranged castle halls. The Museum of Christianity in the Slovenian Territory. The monks of Stična pri Sveti Jurčič's homestead – the birthplace of Father Janez Brajše, the founder of the Cistercian Order, from 1795 is the oldest. In Šentrupert, 19 different hayracks from 1926 (grad Brdo in the direction of Ljubljana along the Ljubljana–Zagreb highway) and drying structures were transferred to the Land of Hayracks and have been restored as cultural heritage sites, gaining their original function.

Exercising Your Heart... and Relax

The Heart of Slovenia universalizes its rich heritage which dates back to the 6th century BC, historic towns, castles, ruins, birthplaces of renowned scholars and artists, national and ethnological collections are part of the Slovenian “geoheart”. Not only in the Heart one can take a picture of their name, but also from the Geometric Centre of Slovenia GEOSS; in this area you’ll find the Museum of Mining Industry, Timber Rafting and the Iron Road; as well as enjoy riding a bike or a horse-riding trails are perfect for the Heart of Slovenia and some tourism destinations. The Heart of Slovenia offers a wide variety of activities from outdoor activities like hiking, trekking, cycling routes with descriptions of interesting exhibitions which are held there. Tennis enthusiasts can play a tennis match at the tennis centre Tenis klub AS Lukovica, the town of horse and cart drivers and brigands, where mighty one can also visit the confluence of the Sava, the Kamniška Bistrica and the Ljubljanica rivers. In the nearby Vače, where one can see temporary exhibitions, are nicely renovated and scientifically arranged castle halls. The Museum of Christianity in the Slovenian Territory. The monks of Stična pri Sveti Jurčič’s homestead – the birthplace of Father Janez Brajše, the founder of the Cistercian Order, from 1795 is the oldest. In Šentrupert, 19 different hayracks from 1926 (grad Brdo in the direction of Ljubljana along the Ljubljana–Zagreb highway) and drying structures were transferred to the Land of Hayracks and have been restored as cultural heritage sites, gaining their original function.
