URBAN – RURAL COOPERATION IN LOMBARDY REGION

Partners and stakeholders of P-IRIS project attended **6th Study Visit in Lombardia Region (Italy)** between 3rd and 6th June 2019. Study Visit was focused on three important and interlinked parts. First part was dedicated to **Regional Event** with focus on methods and examples for urban – rural cooperation. Second on **presentations of local good practices** that are trying to overcome fragmentation in rural areas of Valle Camonica. And last on **two workshops**; Action Plans development and Toolbox revision.
